¿Quiénes somos?

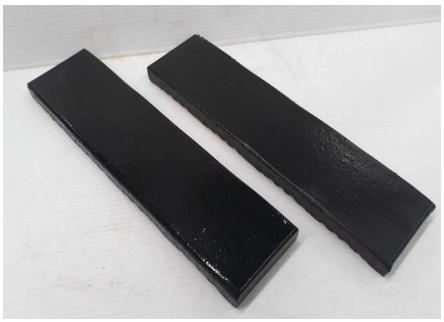
En Edificaciones Smart, somos fabricantes de recubrimientos de arcilla esmaltada a baja temperatura y distribuidores de productos estructurales, aparentes, piedra decorativa, pisos e insumos de marcas competitivas. Para brindarle mejor servicio, contamos con instalaciones estratégicamente ubicadas en el corredor industrial de el Salto, además de contar con un showroom abierto al público ubicado en la cercanías del centro de Guadalajara.

Fachaleta de arcilla esmaltada

Fachaleta esmaltada

Gran variedad de colores disponibles para esmaltar, repele el agua y los rayos UV, no se craquela y evita la formación de hongos (Anti graffiti opcional).

Colores Brillantes



Colores Metálicos

Esmaltado Natural

El esmaltado se realiza mediante pedido, consulte los colores disponibles al 33 1786 1041.
